

The last issue of The Mountain Valley Hospice Connection listed the donors from October 1, 2008 through September 20, 2009. A program error caused several names to be omitted. We have worked with the software company to correct the problem so that this does not happen in the future.

In an effort to give donors the recognition they deserve we have posted these names in the Mountain Valley Hospice website and again in this edition of the Mountain Valley Connection. The names listed will include donors for both Mountain Valley Hospice & Palliative Care and The Joan & Howard Woltz Hospice Home for the time frame named above. We apologize for this error and any inconvenience this may have caused. Mountain Valley Hospice made a concerted effort to ensure completeness and accuracy of this list: however, if we made any errors or left anyone out we truly apologize. We do welcome your corrections; please contact us at 337-789-2922 or toll free at 1-888-789-2922.

Thank you for supporting Mountain Valley Hospice and the Joan & Howard Woltz Hospice Home.
