

# Interested in giving back in your community?

Consider providing meals to the families and staff at one of  
Mountain Valley's two hospice care centers.

Meals should be prepared and ready to eat, delivered in disposable containers with serving spoons.

*Meal suggestions include but not limited to:*

- Pasta dishes, salad, salad dressing and bread.
- Pizzas.
- Casseroles, baked chicken or chicken pie with side dishes.
- Hamburgers/hot dogs with fixings (buns, mustard, mayo, onions, slaw, tomato, etc.) and chips.
- Individually wrapped sandwiches, chips and fruit.
- Chili and soups with crackers.
- During the holidays, turkey dinners are always greatly appreciated.
- Desserts and drinks are a nice treat.

## SECU Hospice Care Center
