

# Prayer blankets

Do you have  
a talent for  
crocheting  
or knitting?

**We need volunteers** to crochet or knit prayer blankets for our patients. A prayer blanket is a gift from the heart and provides comfort for those who receive them.

Several groups in our service area can teach you to crochet or knit if you'd be interested in learning. We accept any stitch or pattern for 3' x 3' blankets. Red, white, and blue prayer blankets are made especially for our veteran patients.

**Drop off prayer blankets** at any Mountain Valley location

**We also accept donations** for purchasing yarn
