Prayer blankets

Do you have
a talent for
crocheting
or knitting?

We need volunteers to crochet or knit prayer blankets for our patients. A prayer blanket is a gift from the heart and provides comfort for those who receive them.

Several groups in our service area can teach you to crochet or knit if you'd be interested in learning. We accept any stitch or pattern for 3' x 3' blankets. Red, white, and blue prayer blankets are made especially for our veteran patients.

Drop off prayer blankets at any Mountain Valley location

We also accept donations for purchasing yarn

BE A MOUNTAIN VALLEY Volunteer

It's easy to believe we need superhuman talent or special abilities to make an impact in the world. But the truth is, the simplest gifts are often the most profound. If you've got time, empathy, and compassion, you have the ability to truly make a difference in someone's life.

Mountain Valley Hospice volunteers participate in interactive training courses, where we teach you how to best meet patient and family needs in your specific capacity as a volunteer.

Here are some of our volunteer opportunities:

Provide companionship through home visits or visits to nursing facilities. You may sit with a patient to lend an ear, look at photos, take walks, play cards, or watch television.

Offer family members a refreshing change, or a much-needed break to take care of their own personal needs.

Organize a group to prepare a meal or special treats for patients' families at Woltz Hospice Home or SECU Hospice Care Center.

Bring your certified pet therapy dog to homes and facilities to brighten a patient's day.

Deliver birthday cakes, balloons or flowers to patients on their special day.

Place tuck-in support calls to patients and family members and help the hospice care team ensure the patient's needs are being met.

Use your organizational skills as an administrative volunteer to help with data entry, answering phones, and newsletter mailings.

Greet visitors and answer phones at Woltz Hospice Home or SECU Hospice Care Center.

Do you crochet, knit, or quilt? Every Mountain Valley patient receives a handmade prayer shawl or blanket to provide care, comfort, and well-being.

Help us prepare for community events and organize fundraisers for impoverished patients.

And so much more!

Hospice volunteers are extraordinary people who take the most precious resources — their time and attention — and use them generously to support those nearing end of life. A compassionate heart and a willingness to help are valuable beyond measure to our patients and their families.

On behalf of everyone at Mountain Valley, I wish to extend our gratitude and sincere appreciation for your dedication and invaluable contributions as a volunteer.

Your commitment to supporting our patients and their families during their most challenging times is truly commendable. Your willingness to visit patients in their homes, deliver birthday cakes, make weekly tuck-in calls, crochet or knit prayer blankets, prepare cards and crafts, showcases your extraordinary compassion and selflessness. Your presence brings comfort and solace to those in need, and your acts of kindness leave a lasting impact on both our patients and our team.

In addition to the tangible support you provide, your genuine empathy and compassionate nature create a sense of warmth and reassurance for everyone you encounter. Whether it's offering a listening ear, providing a comforting embrace, or simply sharing a smile, your presence brings hope and encouragement to those facing difficult circumstances. Moreover, your dedication exemplifies the spirit of generosity and community that lies at the heart of our hospice mission. Your willingness to give your time and energy to assist our team, regardless of the task at hand, embodies the true essence of volunteerism.
